Top Notch Sweeping Services

When you have a professional level sweeping program with Power Sweep Services, LLC...

- Your property's appearance will be kept at its best at all times. Your customers will notice the difference.
- Our use of state-of-the-art air sweepers helps to reduce the wear and tear on your pavement, as well as help to minimize slip-and-fall accidents
- With less grit, your interior floor surfaces will last longer and require less cleaning.
- Your exposure to other liabilities will be reduced because hazardous objects such as broken glass, nails and other debris will have been removed from your pavement.

Ethics You Can Depend Upon

Our management team takes a very professional approach to doing business. You will find that we operate our firm accordingly.

We are proud to be a Founding Member of the Ethics in Power

Sweeping Initiative of the World Sweeping Association.

We are also a proud member of the North American Power Sweeping Association.

For more information on what these industry-leading memberships entail, please see the information available on our website at:

Total Exterior Maintenance

Top notch equipment and trained employees team up for your benefit.

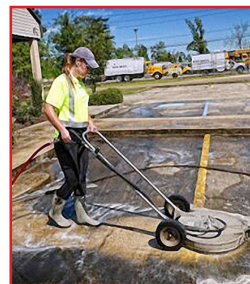

We offer a wide variety of exterior maintenance services, including:

- Line Striping Application/Removal
- Pavement Sealcoating
- Crack and Joint Sealing
- Asphalt and Concrete Repairs
- Heavy and Large Item Hauloff
- Professional Graffiti Removal
- Construction Cleanup
- Disaster and Emergency Cleanup

Power Washing Excellence

Our power washing division offers hot or cold water cleaning services, as well as the acclaimed, steam-based, Dupray chewing gum removal system.™

Whether you just need your sidewalk and entrances 'spruced up' or your large parking garages or building walls cleaned, we have the right equipment and experienced personnel who are well-trained for the job at hand.

We use dedicated flat surface cleaners to deep-clean horizontal areas. Wand marks are eliminated, while cleaning is more effective and up to 40% faster than with other methods.

Our specialized machinery allows us to provide, in many cases, cleaning services during store hours. The finished product will enhance your image and both you and your customers will be pleased with the clean, aesthetic, result.

Cost-Effective Striping

Whether you need new lines or a re-design for ADA compliance, our team can handle it.

Pavement marking oftentimes serves to direct traffic throughout your property. In today's world, ADA compliance is a must, and our striping team can help you achieve both goals.

Whether you just need parking lines re-striped on your existing lot or an entire new layout done on a newly finished shopping mall, when you specify Power Sweep Services, LLC, you can be assured of the best possible outcome.

Please let us know how we can serve your interests. For a free professional assessment of your needs, just give us a call!
